173 certificates of registration and special number plates in accordance with
174 the regulations adopted under subsection (a) of this section provided
175 the commissioner may not issue a set of special number plates bearing
176 the same numerals as any other plate issued by the department. The
177 commissioner may discontinue the issuance of any such special number

178 plates issued for a qualified organization, or special plates issued in
179 accordance with the provisions of sections 14-19b and 14-21f to 14-21p,
180 inclusive, at any time, upon written notice to the organization if, in the

417 subsection (c) of this section. A nursing home shall not be required to
418 maintain a list of inquiries from prospective residents who have not yet
419 submitted a substantially completed application for admission accepted
420 by the nursing home, nor to provide any such person with a receipt of
421 their inquiry;

422 (4) May, no sooner than ninety days after initial placement of the
423 person's name on the waiting list, inquire by letter or electronic mail of
424 such applicant and any one person if designated by such applicant
425 whether the applicant desires continuation of the applicant's name on
426 the waiting list. If the applicant does not respond and an additional
427 thirty days pass, the nursing home may remove such applicant's name
428 from its waiting list. A nursing home may annually send a waiting list
429 placement continuation communication by letter or electronic mail to all
430 persons on the waiting list for at least ninety days to inquire as to
431 whether such person desires continuation of the person's name on the
432 waiting list, provided such communication shall also be sent to any one
433 person if designated by such applicant. If such person does not respond
434 and at least thirty days pass, the facility may remove the person's name
435 from its waiting list. Indigent persons shall be placed on any waiting list
436 for admission to a facility and shall be admitted to the facility as

437 vacancies become available, in the same manner as self-pay applicants,
438 except as provided in subsections (f) and (g) of this section;

439 (5) Shall post in a conspicuous place a notice informing applicants for
440 admission that the facility is prohibited by statute from discriminating
441 against indigent applicants for admission on the basis of source of
442 payment. Such notice shall advise applicants for admission of the
443 remedies available under this section and shall list the name, address
444 and telephone number of the ombudsman who serves the region in
445 which the facility is located;

446 (6) Shall be prohibited from requiring that an indigent person pay
447 any sum of money or furnish any other consideration, including but not
448 limited to, the furnishing of an agreement by the relative, conservator
449 or other responsible party of an indigent person which obligates such
450 party to pay for care rendered to an indigent person as a condition for
451 admission of such indigent person; and

452 (7) Shall maintain an electronic record of the number of patients who
453 are Medicare, Medicaid and private pay patients and make such
454 information available, upon request, to the state or regional
455 ombudsman.

456 (c) Whenever a nursing home passes over the name of an applicant
457 on its waiting list and admits another applicant, the nursing home shall
458 make a dated notation on the waiting list indicating why the applicant
459 who was passed over was not admitted. Upon the receipt of a complaint
460 concerning a violation of this section, the Department of Social Services
461 shall conduct an investigation into such complaint. A nursing home
462 shall provide access to the department and the State Ombudsman to all
463 records requested by the department or State Ombudsman for the
464 purpose of investigating a complaint by or on behalf of an applicant
465 related to the denial of an admission.

466 (d) The Department of Social Services is authorized to decrease the
467 daily reimbursement rate to a nursing home for one year for a violation
468 of this section which occurred during the twelve-month period covered

469 by the cost report upon which the per diem rate is calculated. The per
470 diem rate shall be reduced by one-quarter of one per cent for an initial
471 violation of this section and one per cent for each additional violation.

472 (e) Prior to imposing any sanction, the Department of Social Services
473 shall notify the nursing home of the alleged violation and the
474 accompanying sanction, and shall permit such facility to request an
475 administrative hearing, in accordance with sections 4-176e to 4-181a,
476 inclusive. A facility shall request such hearing within fifteen days of
477 receipt of the notice of violation from the Department of Social Services.
478 The department shall stay the imposition of any sanction pending the
479 outcome of the administrative hearing.

480 (f) A nursing home with a number of self-pay residents equal to or
481 less than thirty per cent of its total number of residents shall not be
482 required to admit an indigent person on a waiting list for admission
483 when a vacancy becomes available during the subsequent six months,
484 provided (1) no bed may be held open for more than thirty days, and (2)
485 the nursing home notifies the Commissioner of Social Services and the
486 regional nursing home ombudsman office on the date on which such
487 six-month period of waiting list exemption began and thereafter on a
488 quarterly basis if the conditions for exemption still apply.

489 (g) A nursing home shall not be required to admit an indigent person
490 on a waiting list for admission when a vacancy becomes available if the
491 vacancy is in a private room.

492 (h) Notwithstanding the provisions of this section, a nursing home
493 shall, without regard to the order of its waiting list, admit an applicant
494 who (1) seeks to transfer from a nursing home that is closing, [or] (2)
495 seeks to transfer from a nursing home in which the applicant was placed
496 following the closure of the nursing home where such applicant
497 previously resided or, in the case of a nursing home placed in
498 receivership, the anticipated closure of the nursing home where such
499 applicant previously resided, provided (A) the transfer occurs not later
500 than sixty days following the date that such applicant was transferred

501 from the nursing home where he or she previously resided, and (B)
 502 except when the nursing home that is closing transferred the resident
 503 due to an emergency, the applicant submitted an application to the
 504 nursing home to which he or she seeks admission at the time of the
 505 applicant's transfer from the nursing home where he or she previously
 506 resided, or (3) is a service-connected veteran if such nursing home is a
 507 federally contracted veterans nursing home and such applicant is
 508 eligible for care therein. A nursing home that qualifies for a waiting list
 509 exemption pursuant to subsection (f) or (g) of this section shall not be
 510 required to admit an indigent person under this subsection except when
 511 the resident is being transferred from a nursing home that is closing due
 512 to an emergency. No nursing home shall be required to admit an
 513 applicant pursuant to the provisions of this subsection if the nursing
 514 home has determined that (i) the applicant does not have a payor source
 515 because the applicant has been denied Medicaid eligibility or the
 516 applicant has failed to pay a nursing home that is closing for the three
 517 months preceding the date of the application for admittance and has no
 518 pending application for Medicaid, (ii) the applicant is subject to a
 519 Medicaid penalty period, or (iii) the applicant does not require nursing
 520 home level of care as determined in accordance with applicable state
 521 and federal requirements.

This act shall take effect as follows and shall amend the following sections:

The following Fiscal Impact Statement and Bill Analysis are prepared for the benefit of the members of the General Assembly, solely for purposes of information, summarization and explanation and do not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.

Note: TF=Transportation Fund; GF=General Fund

Municipal Impact: None

Explanation

Section 1 requires the Governor to designate November as "Veterans' Month," and does not have a fiscal impact.

Section 2 establishes a commemorative license plate for women veterans and, to the extent such plates are requested, results in minimal fiscal impact to the Department of Motor Vehicles (DMV) for associated plate costs and fee revenue.

Section 3 establishes a commemorative license plate for "The Borinqueneers" and an associated fee of \$60 for such plates (in addition to regular registration fees), of which \$15 is deposited to the DMV and \$45 is deposited to the newly established "Hispanic-American Veterans of Connecticut" account to be administered by the Office of Policy and

Management (OPM). This section requires OPM to distribute funds from that account quarterly to the Hispanic-American Veterans of Connecticut, Inc. for purposes described in the bill.

To the extent that such plates are requested, this section results in minimal fiscal impact for the DMV for plate costs and fee revenue as well as minimal revenue to the "Hispanic-American Veterans of Connecticut" account.

Section 4 results in a potential cost to the Department of Veterans Affairs (DVA) beginning in FY 26 to the extent that eligible veterans and members of the armed services are approved for a number plate recognizing the Military Order of the Purple Heart. The bill requires the DVA to reimburse approved applicants their membership fee to join the Order, which currently is \$200 for a lifetime membership.

The impact of this section is dependent on the number of eligible veterans and members of the armed forces that are eligible in the future.

Section 5 results in potential minimal revenue loss by requiring the DMV to issue a fee voucher for those veterans applying for a renewal more than six months prior to their license expiration at Stand Down events (typically people are not eligible to renew more than six months in advance). The DMV currently waives fees for eligible veteran license and ID renewals at Stand Down events for those with credentials expiring within six months.

Section 6 allows the Adjutant General to establish awards or ribbons for members of the armed services resulting in a potential minimal cost to the Military Department. The potential minimal cost is dependent on 1) if the Adjutant General chooses to establish new awards or ribbons, 2) the cost of procuring the awards or ribbons, and 3) the number of armed services members who qualify for the awards or ribbons.

Sections 7 and 8 do not have a fiscal impact. They require: (1) local and regional school districts to transfer records and conduct evaluations within 30 days for military children with individualized education plans

(IEPs) or 504 plans, and (2) allows military children to stay enrolled at their current school despite relocation orders. The first requirement exists under federal law, without the 30-day deadline, and the second is a practice already followed in Connecticut. It is anticipated that local and regional boards of education can meet these requirements with existing resources.

Section 9 requires the Department of Veterans Affairs (DVA) to study the provision of dental services to veterans in the state, which does not result in a fiscal impact as the study can be completed within the agency's current resources.

Section 10 has no anticipated fiscal impact, as it makes procedural changes exempting eligible service-connected veterans from waiting lists when seeking admission to nursing homes contracted by the United States Department of Veterans Affairs.

House Amendment "A" struck the underlying bill and resulted in the fiscal impacts described above.

The Out Years

The annualized ongoing fiscal impact identified above would continue into the future subject to the number of plates requested, the cost of membership to the Military Order of the Purple Heart and the number of eligible veterans, and the number of fee vouchers issued.

SUMMARY

This bill makes various changes to state law concerning veteran and military affairs, as described in the section-by-section analysis below.

*House Amendment “A” strikes the underlying bill, which made technical changes, and replaces it with the provisions below.

EFFECTIVE DATE: July 1, 2025, except the provisions on Veterans’ Month and the dental services study are effective upon passage and the provision on the Borinqueneers license plate is effective January 1, 2026.

§ 1 — VETERANS’ MONTH

Establishes the month of November as Veterans’ Month

The bill requires the governor to proclaim November of each year as Veterans’ Month in recognition of the service and sacrifice of individuals who have served in the armed forces to protect the U.S. and the state. Suitable exercises may be held in the State Capitol and elsewhere as the governor designates.

Background — Related Bill

HB 6723 (File 56), favorably reported by the Veterans’ and Military Affairs Committee, contains identical provisions.

§ 2 — WOMEN VETERANS’ LICENSE PLATES

Requires the DMV commissioner, if requested by a woman veteran or servicemember, to register a motor vehicle and issue a special certificate of registration and a set of license plates commemorating the woman's service

The bill requires the Department of Motor Vehicles (DMV) commissioner, at the request of a woman who is a veteran or member of the armed forces, to register a motor vehicle and issue a special certificate of registration and a set of license plates commemorating the woman's service. To qualify, the motor vehicle must be owned or leased by the woman veteran or member for at least one year, including a motor vehicle used exclusively for farming purposes by a woman veteran or woman servicemember who is engaged in agricultural production as a trade or business. By law, veterans, armed forces members, or their surviving spouses can request a special registration certificate and license plates under the same circumstances.

Background — Related Bill

sHB 5074 (File 223), favorably reported by the Veterans' and Military Affairs Committee, contains identical provisions.

Background — Veterans and Armed Forces

By law, a "veteran" is anyone honorably discharged or released under honorable conditions, or released with an other than honorable (OTH) discharge based on a qualifying condition, from active service in the armed forces (CGS § 27-103).

A qualifying condition is a (1) post-traumatic stress disorder or traumatic brain injury diagnosis by a licensed health care professional at a U.S. Department of Veterans Affairs facility; (2) military sexual trauma disclosed to such a health care professional; or (3) determination by the Qualifying Review Board that sexual orientation, gender identity, or gender expression was more likely than not the primary reason for the OTH discharge (CGS § 27-103).

By law, the "armed forces" are the U.S. Army, Navy, Marine Corps, Coast Guard, Space Force, Air Force, and any of their reserve components, including the Connecticut National Guard when under federal service (CGS § 27-103).

§ 3 — THE BORINQUENEERS LICENSE PLATES

Requires the DMV commissioner to issue commemorative license plates in recognition of “The Borinqueneers” and gives a portion of the fee to the Hispanic-American Veterans of Connecticut, Inc. for bilingual services to veterans and service members

The bill requires the DMV commissioner, beginning January 1, 2026, to issue commemorative license plates in recognition of the “The Borinqueneers” (the primarily Puerto Rican members of the 65th Infantry Regiment of the U.S. Army who served with distinction). Under the bill, the commissioner must determine the design of the plates in consultation with Hispanic American Veterans of Connecticut, Inc.

The bill sets a \$60 fee for this plate, in addition to the regular fees for registering a motor vehicle. Under the bill:

1. \$15 of the fee must be deposited in an account controlled by DMV for the cost of producing, issuing, renewing, and replacing the license plates; and
2. \$45 of the fee must be deposited in an account for Hispanic-American Veterans of Connecticut, Inc. to provide bilingual services and assistance to Connecticut veterans and armed forces members.

The plates must have numbers and letters selected by DMV, but the commissioner may charge a higher fee for license plates that have (1) the numbers and letters from a previously-issued plate or (2) letters instead of numbers or are low number plates, in addition to the fees set for these registrations by law.

The bill prohibits charging additional fees for (1) renewing this license plate or (2) transferring an existing registration to or from a registration with a “The Borinqueneers” plate.

The bill establishes the Hispanic-American Veterans of Connecticut commemorative account as a separate account in the General Fund to receive all of the fees other than the money designated for DMV’s costs

and allows the Hispanic-American Veterans of Connecticut, Inc. to deposit private donations in this account. Under the bill, funds in the account must be distributed quarterly by the Office of Policy and Management secretary to Hispanic-American Veterans of Connecticut, Inc., which can use the funds as described above.

The bill allows DMV to adopt regulations to set standards and procedures for issuing, renewing, and replacing these license plates.

Background — Related Bill

HB 6724 (File 228), favorably reported by the Veterans' and Military Affairs Committee, contains identical provisions.

§ 4 — PURPLE HEART LICENSE PLATES

Allows veterans and servicemembers who get a license plate commemorating the Military Order of the Purple Heart to be reimbursed for the cost of joining a chapter of the order

The bill allows veterans and members of the armed forces (see *Background – Veterans and Armed Forces* above) who get a license plate recognizing the Military Order of the Purple Heart on or after July 1, 2025, to apply to the Department of Veterans Affairs (DVA) commissioner for reimbursement of the cost of joining a chapter of the Military Order of the Purple Heart in order to get the license plate.

The bill (1) authorizes the commissioner to determine the application process for reimbursement and (2) requires him to notify the veteran or servicemember about his decision within 60 days after receiving the application and, if approved, reimburse the veteran or servicemember.

Background — Related Bill

HB 5787 (File 40), favorably reported by the Veterans' and Military Affairs Committee, contains identical provisions.

§ 5 — VETERAN LICENSE AND IDENTIFICATION RENEWAL FEE WAIVERS

Requires DMV to waive, or provide vouchers for waiving, the driver's license or identity card renewal fee for veterans who attend a one-day Stand Down event hosted by DVA

The bill requires, instead of allows, the DMV commissioner to waive the driver's license or identity card renewal or duplication fee for veterans who attend a one-day event hosted by DVA, that offers services, supplies, or assistance to veterans (i.e. Stand Down events).

The bill also requires the commissioner to issue a voucher to veterans who apply for their renewals more than six months before their license or card expires. This voucher must waive the fee during the six-month period. (In practice, DMV cannot process renewal applications more than six months before a license's or identification card's expiration date.)

These provisions apply to veterans (see *Background – Veterans and Armed Forces* above) who are verified by the DVA.

By law, the fee for a renewed license is \$96 and \$32 for a renewed identity card if they are valid for eight years, but the fees are prorated if the commissioner issues renewed licenses and cards for shorter periods of time (CGS §§ 1-1h & 14-41).

Background — Related Bill

SB 1150 (File 252), favorably reported by the Veterans' and Military Affairs Committee, contains substantially similar provisions, but is not limited to Stand Down events.

§ 6 — MILITARY AWARDS

Authorizes the adjutant general to establish awards or ribbons for members of the state armed forces

Under current law, state military medals, awards, ribbons, or other honors are generally established legislatively in state statute or authorized federally. Beginning July 1, 2025, the bill authorizes the adjutant general, within available appropriations, to establish awards or ribbons he may bestow on members of the state armed forces, as well as remove any awards or ribbons he creates on or after this date.

The bill specifies that the adjutant general cannot remove any state military award, ribbon, or other honor or decoration created by his

office before July 1, 2025, or by the legislature.

Background — Related Bill

sSB 1153 (File 47), favorably reported by the Veterans' and Military Affairs Committee, contains identical provisions.

§§ 7 & 8 — EDUCATION SERVICES FOR MILITARY-CONNECTED STUDENTS

Requires local and regional school boards to take steps to ensure a minimally disruptive transition of a military-connected student and allows a military-connected student to stay enrolled when a service member relocates on orders

The bill requires local and regional school boards to take steps to ensure a minimally disruptive transition of a military-connected student who (1) enrolls at a school after the school year begins and (2) has an individualized education plan (IEP) or 504 plan from a prior school (see *Background*). This applies when the student enrolls due to an armed forces member's military orders or other document directing the servicemember to the state. For these students, the bill requires districts to at least (1) transfer records and evaluations; (2) perform a reevaluation; and (3) within 30 school days of the child's enrollment, hold a planning and placement team meeting or a meeting to establish a 504 plan.

Under the bill, an armed servicemember's child must be allowed to remain enrolled in a school until the end of the school year if the servicemember relocates on orders and remains in the armed forces; however, a child enrolled in grade 11 may continue to be enrolled in school for an additional school year, while the servicemember remains in the armed forces.

Background — Individualized Education Plans

Federal regulations require an IEP to include (1) measurable annual goals and how the child's progress toward the goals will be measured; (2) special education and related services the child will receive; and (3) supplementary aids and services the child will receive, which are supports provided in regular education classes and nonacademic settings (34 C.F.R. § 300.320(a)(4)). The included services must be based

on peer-reviewed research to the extent practicable and be designed to help the child progress toward his or her annual goals, be involved and make progress in the general education curriculum, participate in extracurricular and nonacademic activities, and be educated with other children with and without disabilities.

Background — 504 Plans

Section 504 of the federal Rehabilitation Act of 1973 protects students with mental or physical disabilities from discrimination in public schools (29 U.S.C. § 794). Students who receive school accommodations under this law have them memorialized in a written plan, commonly known as “504 plans.”

Background — Related Bill

sHB 7123 (File 322), favorably reported by the Veterans’ and Military Affairs Committee, contains substantially similar provisions.

§ 9 — STUDY OF DENTAL SERVICES FOR VETERANS

Requires the DVA commissioner to evaluate dental services provided to veterans

The bill requires the DVA commissioner to evaluate dental services provided to veterans (see *Background – Veterans and Armed Forces* above) in the state and identify areas for improvement (such as opportunities to expand access to these services and increase enrollment in U.S. Department of Veterans Affairs’ (U.S. DVA) dental insurance program).

The commissioner must report on his evaluation, as well as any recommendations for legislation, to the Veterans’ and Military Affairs Committee by February 1, 2026.

Background — Related Bill

sHB 6765 (File 260), favorably reported by the Veterans’ and Military Affairs Committee, requires DVA to implement and administer a program, withing available appropriations, to give assistance vouchers to veterans for dental services at federally-qualified health centers, UConn School of Dental Medicine, and other institutions of higher education that provide dental services.

§ 10 — NURSING HOME WAITING LIST EXCEPTION

Requires nursing homes to admit qualifying veterans under certain conditions, regardless of the waitlist

The bill adds an exception to the requirement that a nursing home that accepts state funds to care for indigents admit people from its waiting list in the order that they submitted completed applications. The bill's exception requires a nursing home to admit a veteran regardless of the waiting list if the:

1. nursing home has a contract with the U.S. DVA to provide care for veterans and
2. veteran applicant (a) meets the U.S. DVA's service-connected and other applicable eligibility criteria and (b) is eligible for care at the nursing home.

As under current law, a nursing home does not have to accept an indigent on the waiting list under certain circumstances and must accept certain transfers from a nursing home that is closed or closing, regardless of the list. If a nursing home skips over an applicant on the waiting list, it must, by law, make a dated notation on the list explaining the decision.
