## **OFA Fiscal Note**

### **State Impact:**

Agency Affected	Fund-Effect	FY 26 \$	FY 27 \$
Labor Dept.	GF - Cost	280,500	374,000

Note: GF=General Fund

**Municipal Impact:** None

### **Explanation**

The bill, which increases compensation for various members of the State Board of Labor Relations (SBLR) and State Board of Mediation and Arbitration (SBMA), results in the fiscal impacts outlined below.

Section 1 increases the per diem rate paid to members of the SBLR from \$150 to \$300 for each day during which they are engaged in board duties. This results in a General Fund cost to the Department of Labor (DOL) of \$48,000 in FY 26 (partial year cost) and \$64,000 in FY 27. This is based on data from DOL indicating there were 119 days, on average during the last three fiscal years, in which members were engaged in duties of the board and \$64,000 on average was provided annually as per diem payments during the same time period.

Section 2 increases the compensation paid to members of the SBMA for (1) attended proceedings, (2) preparation of written decisions, (3) proceedings extending beyond the first day, and (4) executive panel

sessions. This results in a General Fund cost to the DOL of \$232,500 in FY 26 (partial year cost) and \$310,000 in FY 27. This is based on data from DOL indicating there were 471 proceeding days<sup>1</sup>, 75 written decisions, and 238 executive panel sessions on average during the last three fiscal years.

### ***The Out Years***

The annualized ongoing fiscal impact identified above would continue into the future subject to the fluctuation of days in which SBLR members are engaged in board duties, number of SBMA proceedings, written decisions, and executive panel sessions.
