General Assembly

Proposed Bill No. 5960

January Session, 2025

LCO No. **2215**

Referred to Committee on ENERGY AND TECHNOLOGY

Introduced by:
REP. DAUPHINAIS, 44th Dist.

AN ACT CONCERNING OPTING OUT OF SMART METER PROGRAMS.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

That the general statutes be amended to allow any residential electric end use customer to opt out of any program or regulation that would require the installation of a smart meter.

Statement of Purpose:

To allow any residential electric end use customer to opt out of any program or regulation that would require the installation of a smart meter.
