1 Section 1. Section 26-5 of the general statutes is repealed and the
2 following is substituted in lieu thereof (*Effective from passage*):

3 The Commissioner of Energy and Environmental Protection shall
4 appoint such number of conservation officers as may be necessary for
5 the efficient execution of the duties of the department under section 26-
6 6, provided the commissioner shall receive and consider a
7 recommendation for such number of appointments, not less than once
8 every two years, from the Connecticut Conservation Officers
9 Association. Such recommendation shall be: (1) Based on a review of the
10 duties established in section 26-6 and any enhancement of such duties
11 since the issuance of the most recent such recommendation, and (2)
12 submitted by the commissioner to the joint standing committee of the
13 General Assembly having cognizance of matters relating to the

15 conservation officer force by appointing as special conservation officer
16 any employee of the department or any sworn federal law enforcement

17 officer of the United States Fish and Wildlife Service or National Marine

27 Notwithstanding the provisions of this section, no such lake patrolman
28 shall carry a firearm while in the performance of such patrolman's
29 duties as a special conservation officer unless the board of selectmen of
30 the town or towns in which the lake on which the lake patrolman serves
31 is located approves such carrying of a firearm, or in the case of any town
32 having no board of selectmen, the lake patrolman obtains the approval
33 of the legislative body of such town or towns in which the lake is
34 located. Each conservation officer shall be certified by the Police Officer

37 conservation officer shall be certified by the Police Officer Standards
38 and Training Council in accordance with the provisions of section 7-
