
OFA Bill Analysis

HB 5032

***AN ACT ADJUSTING THE STATE BUDGET FOR THE BIENNIUM
ENDING JUNE 30, 2027.***

SUMMARY:

The bill revises appropriations originally authorized pursuant to Public Act 25-168 for the General and Special Transportation Funds as well as six other appropriated funds for the fiscal year ending June 30, 2027 (FY 27). For FY 27, the bill appropriates \$28.8 billion to state agencies to: (1) meet operational costs, (2) make statutory and discretionary grants to municipalities and various organizations, (3) make entitlement payments such as Medicaid and other social service programs, and (4) meet long term obligations such as debt service and required retirement system contributions.

The bill also includes: (1) implementing language pertaining to various agencies and appropriations, (2) funds authorized to be carried forward from FY 26 appropriations to FY 27, (3) reporting requirements for certain agencies related to the status of specific initiatives, and (4) various technical and conforming changes.

EFFECTIVE DATE: Sections 1-8, 10, 11, 14, 15, and 20-27 are effective July 1, 2026, and sections 9, 12,13, and 16-19 are effective upon passage.
