LCO No.: 3916

File Copy No.: 245

House Calendar No.: 201

OFA Fiscal Note

No Fiscal Impact

The amendment has no fiscal impact as it makes a procedural change. It shortens the time frame in the underlying bill, from 15 months to 12 months, during which insurers can seek repayment from health care providers due to administrative or eligibility error.

The preceding Fiscal Impact statement is prepared for the benefit of the members of the General Assembly, solely for the purposes of information, summarization and explanation and does not represent the intent of the General Assembly or either chamber thereof for any purpose. In general, fiscal impacts are based upon a variety of informational sources, including the analyst's professional knowledge. Whenever applicable, agency data is consulted as part of the analysis, however final products do not necessarily reflect an assessment from any specific department.
