

**JJPOC RED Work Group
February 19, 2020
9:30-11:00AM
The Consultation Center, 389 Whitney Ave, New Haven, CT**

Meeting Summary:

- Update on JJPOC
 - The members of the Work Group reviewed the 2020 JJPOC recommendations in brief, discussing each recommendation from all of the Work Groups/Committees.
 - The Work Group engaged in a discussion on the Diversion Work Group recommendations and how it may impact data collection by the YSBs.
 - Discussion was had on incorporating representation of JJPOC into a meeting with CSG and the YSB Board to talk about data collection, specifically RED data.

- Update on CSG IOYouth Task Force
 - The TYJI provided a document to the Work Group that specifically summarized the RED data that was presented by CSG to the IOYouth Task Force.
 - The members of the Work Group reviewed the data and engaged in a brief discussion on the findings.
 - There was a request to compare the RED data from CSG and the previous Spectrum Report.

- Next Steps
 - Work Plan 2020
 - TYJI to meet with co-chairs to discuss 2020 goals/plans.
 - Considerations for future meetings
 - Work with DCF to ensure representation.
 - Plan for YSB contract and monitoring.
 - Obtain the CCLP report/November presentation for future discussion.
 - Compare CSG/Spectrum RED data.
 - Check in with CSSD about detention screening.
