Dear esteemed members of the Correction Advisory Board,

Please do more to support our brave men and women who work in corrections. Too often this state attacks those who wear any sort of law enforcement badge and we can let this happen. It is horrible that our officers commit suicide on any given day. They need supports not handcuffs. Find a way to do it and now. I am too sick of hearing about how bad the inmates have it. They would not be there if they didn't commit a crime. We should have no sympathy for killers if they are 10 years old or 100 years old. Lock away the key.

With high regard,
Heather Wealen
