

*I'm writing in support of **support** the continuation of the Emergency Declaration and Limited Executive Orders. They are necessary to protect the lives and health of the public as we endure this pandemic.*

I am especially in favor of continuing Absentee Voting with Covid as an excuse for everyone during the pandemic. We are still in a pandemic with a mutating virus. Absentee voting is a needed so people can vote safely and not risk fear of exposure or exposing other people.

Thank you,
